April 2024

aws

Generative AI
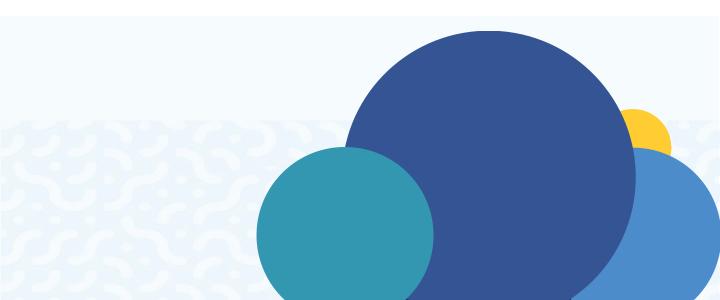

Training Calendar for AWS Gen AI

Please find the upcoming training sessions planned from AWS/ Cloud and AI Academy for **April 2024**. Please nominate, only if you can attend all the sessions in the training program.

Steps to Register in AWS Partner Portal

In case you do not already have portal access, please begin by enabling portal access, followed by registering for the training. If you do have access, directly register for the training.

✓ **Step 1**

- Go to APN Portal and create an account using your Wipro email ID
  https://partnercentral.awspartner.com
- Click on "Join AWS Partner Network"
- Click on "Let's get started" on your right-side of the page
- Follow subsequent steps as prompted
- Register using your Wipro Email ID (in Business Email field)
- For verification security code, you will receive an email subject "APN Portal Verification" from: APN No-Reply apn-no- reply@amazon.com
- If the email doesn't arrive within a few minutes, check your "Clutter" or "Junk Email" folders
- Follow the instructions to verify your account
- Under "Tell us about yourself" Training & Certification Consent and select "Yes" (Mandatory)

Step 2 – Register for the Training program
